

## Clann Badges & Names

The following are the Clann Badges available from the Scout Shops and the associated names.

The number of clann names exceeds the number of badges, so some badges have more than one name associated with them. It is important when deciding on clann names for the first time or when introducing a new clann name that you ensure that each clann has a different badge.

**Maeve**

**Gráinne**

**Diarmuid**

**Ferdia**

The names are all based on Celtic Mythology and as such are normally pronounced in Irish.

Each Clann has story associated with its name and each macoimh in that clann should be aware of it.

The fact sheet reference numbers indicate that this story is available on our website.
